### Dear MR.....

Are you looking for an IT technician

- 5 years of experience
- Knowledge of latest technology in computer science
- Excellent written and oral communication skills
- A passion to learn and to increase my skills

If so, then you need look no further. You will see from my enclosed resume that I meet all of these qualifications and more.

I hope this message finds you well and I am reaching out to express my sincere interest in exploring potential opportunities with Arusha tech. I am enthusiastic about the prospect of contributing my skills and expertise in your esteemed organization.

I would greatly appreciate the opportunity to discuss how my background aligns with the goals and vision of Arusha tech. To schedule an interview, please don't hesitate to contact me. I am generally available for interviews. However, feel free to leave a voice message at any time, and I will promptly return your call.

Thank you for taking the time to review my resume. I look forward to talking with you.

Sincerely,

Fardeen kara
